Summer Happenings

Welcome back Snowbirds! SpringPointe is a fraction without you. We become whole when you return. And thank you to our Desert Rats for keeping watch over our neighborhoods during the summer.

Four homes have been sold since the 2019 directory was published. The new homeowners are listed in this newsletter. Why not up-date your directory by adding new neighbor information?

The Canoa Hills Golf course has been renamed "Canoa Hills Trails—An Open Space Park." Green Valley has three parks. The other two County parks are Canoa Preserve Park and Historic Canoa Ranch.

The Green Valley Council is offering free notary services to GVC members. Our HOA is a council member. SpringPointe homeowners are eligible for this free service.

The monsoon was a nonsoon this summer. The clouds would come and encourage the thought that maybe today, the rain will fall. Then, distant thunder would give a teasing roar and the day was left bone-dry. The clouds did co-produce with the setting sun some spectacular sunsets! ~ *Kae Vinson* - Quarterly Editor

Please bring Food Bank donations of new and unopened items to our October, November and December Socials

October 29, Tuesday at 5:00 in the clubhouse

We will be bringing some good, fall, warm spaghetti and garlic bread . There will be meatballs to add if you like them. Please bring a side dish of salad or dessert to accompany the main course, along with your place setting and DOYC (drink of your choice). We will have a costume contest with a prize for the winners. There is no pressure to wear a costume since this is for those who would like to participate.

We would like to ask for \$3.00 per person or \$5.00 per couple for our dinner. But if funds will not allow this expense, PLEASE come anyway!

Please bring a donation for the Food Bank

Finding Her Roots

Can you imagine...being an adopted child...an only child...then, discovering years later through DNA testing that you have four half sisters? Gloria Lee's story made front page in the Green Valley News, July 28th publication.

She met three of her sisters this summer. Two of her sisters bought a home in Sahuarita. Now, Gloria wears a special smile.

Congratulations Gloria on finding your family!

Kudos For Volunteers

Kudos to all of our committee volunteers and the SpringPointe Board of Directors. These people give hours of their personal time to make SpringPointe a better place. They could be playing golf, reading a book, taking a class, going to the casino, etc. but instead work for our benefit without receiving a penny.

What do they receive?...Your thanks, appreciation and support. Receiving only negative criticism and complaints could make a volunteer regret accepting their position.

Our Volunteers need to be appreciated. Let's make our criticism positive and remember to offer some warm fuzzy comments now and then. We cannot thank these people enough!

Did you know?

Arizona and Hawaii are the only U.S. states that do not change to Daylight Savings Time.
